

## The Insider

10th May 2019 Issue 327

Love to Learn; Learn to Live; Live to Love.

Dear Parents and Carers,

Education has been in the news recently due to conferences that have been meeting. Also, yesterday there was a news item about headteachers who do things in school that might not be expected: thankfully I know some of you have spotted this as you collect children! I have also continued supporting pupils at the pedestrian crossing, with some of the Community Police Liaison Officers assisting by ensuring the parking of cars is safe. (Other staff are also at key positions at the day's end.) Nationally, education funding remains a key issue, especially for pupils who have special needs. At Walkwood we do all we can for all our pupils given the financial resources we are given.

Next week brings changes to our timetable in the mornings. Year 6 will have their SATs. We do not want the children to be stressed, but we do wish them to be focused so they can do their best. Having a decent breakfast on the SATs days is a real help - research has shown this to be very true. Besides, if someone's tummy is rumbling, it distracts them from the task at hand, and may distract others sitting close by.

By the time you read the next issue, half of Year 6 will be at East Barnby in Yorkshire for the post-SATs residential, with an altered day for those who remain at school. The weather looks ok so far.

Year 8 will also have assessments this week ahead, the results of which may be useful to their high schools. There will be opportunity for Year 5 and Year 7 to have assessment time later this term - we would hate for them to feel left out!

It will be Sports Day the week after next. We welcome parents and families to join us for lunch, or to come to see the races which take place. We shall keep an eye on the long range forecast. Bring your picnic, a blanket and a hat!

Rev. Clive Leach - Principal

A Prayer for Putting others first

Dear God,

You taught us to be a good Samaritan. Looking out for others no matter who they are and what they have done. We pray that you keep this within us as a core value. That we may also put others first and be an example to others around us. Let us be known to love others conditionally.

Amen.

This week's theme was: Putting others first

Don't be jealous or proud, but be humble and consider others more important than yourselves.

Philippians 2:3

## S4 Ep29

With Sports Day 2019 looming, I am writing with a few details of the day. Our Sports day's emphasis really is on College allegiance as well as whole school participation. The whole school will be down on the field for the majority of the day. Cold snacks and drinks will be available to purchase on the field during morning break time and ice creams/lollies at lunch so pupils will need to bring in money if they wish to buy anything. Please ensure your child/children have a large bottle of water (1L) and a snack.

Lunchtime will take place on the field, therefore, please provide your child/children with a packed lunch. (For children who receive Free School Meals, a packed lunch will be provided.)

Parents are invited to join us, where there will be a spectators' area in which you must remain during the events; there will be an opportunity for you to eat lunch with your child during the specified time. Parents and families are more than welcome to bring their own seating or blankets.

Access to the field will be via the entrance on Swinburne Road only after 9.30am. There will be no access through Walkwood Reception or The Vaynor First School.

As every child is expected to take part in an event, may I take this opportunity to ask you to make sure that your child/children are in the correct kit: black shorts, white polo shirt, blue or white socks and trainers. Rugby tops and black tracksuit bottoms may be worn whilst waiting for their event. Pupils are to come to school in their school PE kit only – there will be no negotiation on kit, if it is not correct, they will not participate and have alternative work to do. If you have any problems/queries please contact school before the day.

Please also ensure that your child is equipped for our varying weather i.e. waterproof jacket, hat and sun cream and bring any medication with them. Please note, we are not allowed to give out or apply sun cream.

As said previously, every child is expected to take part in at least one event. They will be representing and gaining points for their college in doing so. Parental and family support in previous years has been brilliant and I hope you will join us this year to acknowledge and celebrate the talented and committed children we have here at Walkwood. Do note that the order of events is an estimation and we may run slightly ahead of, or behind schedule. So please take this into consideration to avoid disappointment in potentially missing your child's event.

Pupils will not be able to leave after their event has finished; they will return back to tutor groups to be dismissed at 3.30pm.

We are aware that some parents will wish to take pictures of their children. Can we ask that pictures are only of your child and that they are not put on social media; this helps us to ensure safeguarding of our students.

We will look forward to seeing you and let's pray for sunshine!

## **Archery News**

On Friday 3<sup>rd</sup> May 2019, 7 Year 5's competed in a District Archery Tournament at Arrow Vale playing some challenging games such as Major Oak, Unlock the Drawbridge and Shoot the Target, involving pupils having good concentration and hand-eye coordination. All pupils played exceptionally well and managed to secure 3<sup>rd</sup> place - taking home the bronze medal, we are very proud of what they have achieved.

I'm Neve King, Year 5 MNSA and I will be performing with BMOS in "Half A Sixpence" at The Alexandra Theatre in Birmingham from 11th June - 15th June 2019. This is my first time performing in such a big theatre so I am very excited! I will be performing on the Tuesday and Thursday evenings and the Saturday matinee as part of Team Banjoliers.

I have been performing in the theatre since I was six and have been part of over 20 shows. I love singing and dancing. If anyone wants to come and see the show, please come along.

This week's Word of the Week:

### ominous

What word class is this word? Could it belong to more than one word class?

How many syllables does it have?

Write the dictionary definition(s) of this word, using your own words.

Are there any synonyms for the word?

Are there any antonyms for the word?

Write four sentences, each containing the word.

Challenge: vary the type of sentence each time: write one as a statement; one as a question; one as a command and one as an exclamation sentence.

For example, if the Word of the Week were joyous:

Statement: Xavier is feeling joyous this morning. Question: Does that music sound joyous to you? Command: Make yourself look a little more joyous.

Exclamation: What a joyous evening!
