

Dear Parents and Carers,

The week has not gone according to plan - the weather situation has intervened. We wanted to open the school as soon as possible, and our site team were working throughout Monday and Tuesday to ensure the site was safe. A real 'thank you' to Mr Robins and Mr Morris who were moving snow from paths around the buildings. Mr West and I also joined in, especially on Wednesday morning when I met some of you at the school gate while still in my wellies. The playgrounds have continued to be too icy, so we have used our wet break and lunchtime arrangements. I appreciate that the footpaths have remained very slippery, and that pupils have partly walked and partly 'skated' to school.

Unlike other Christmases, we have not walked to The Bridge Church for the college services due to the state of the footpaths. However, our Chair of Governors, Fr Glenn and our Chaplain, Mrs Deakin, were able to lead the events in the school hall.

Thursday and Friday have been our Deep Days, where the pupils work in their tutor groups on material around the Christmas story. For example, Cleeve College looked at 'The Lowly and the Royal', considering the difference in gifts of the shepherds and the kings (or wise men, depending who you ask), while Abberley looked at the journey that Mary and Joseph would have had to take.

Sorry that our Carol Service had to be cancelled on Tuesday. However, the choir represented the school at the annual concert at the Hindlip Police HQ, where they were superb.

Please take note of the box to the right which tells you about the dates for the end of this term and the start of the next.

May I wish all our readers a joyous Christmas!

Principal

**Next Edition of The Insider:**  
Friday 12<sup>th</sup> January 2018

Dear Lord,

We thank you Oh Lord, as we remember that you sent your Son Jesus Christ down for us.

At this time of year we remember that he was and is a gift to us, that we may now live having a relationship with you.

We thank you that even though we don't deserve it, you choose to bless us with the greatest gift of all, your love.

May your love and presence be among us over this Christmas period.

In your name, Amen.

This week's theme was:  
**Global Christmas**

In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.

John 1: 1-5

# For the week ahead

<b>The Fruit of Faith is:</b>	<b>Aspiration</b>	Oh listen, dear child—become wise; point your life in the right direction. <i>Proverbs 23:19</i>
<b>The tutor group virtue:</b>	<b>Perseverance</b>	We rejoice in our hope of sharing the glory of God. More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God’s love has been poured into our hearts through the Holy Spirit which has been given to us. <i>Romans 5: 2-5</i>
<b>The assembly theme:</b>	<b>Global Christmas</b>	In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it. <i>John 1: 1-5</i>

## We ask your thoughts and prayers in the week ahead for:

<b>The weekend</b>	volunteers in homeless centres.	<b>Monday</b>	priests and faith leaders who are especially busy at this time of year.
<b>Tuesday</b>	pupils who are anxious at the start of the holidays.	<b>Wednesday</b>	the safety of our pupils during the holidays.
<b>Thursday</b>	the roadside assistance organisations during the festive season.	<b>Friday</b>	peace for the world.

# Science Club

Science Club this week looked at STEM **Science**, **Technology Engineering** and **Maths** - an organisation which is dedicated to raising young people's engagement in one or all of the above.

The children made towers - the criteria was the tallest and the strongest.

This presented the children with the opportunity to work as a team and be innovative.

Science Club will recommence on Tuesday  
16th January 2018.

## Music News

So, for the first time ever, we had to cancel our school Christmas concert due to the snow and unfortunately it was not possible to rearrange which was a huge disappointment to everyone who has worked so hard to learn their music over the last few weeks. However, everyone's efforts have not been entirely wasted because the orchestra have been accompanying the Christmas Carols in the college services and some of the choir performed at Hindlip on Thursday evening with the West Mercia Police Brass Band.

Here are the choir, in their seats, just before the concert started. They were marvellous and received many compliments on their fabulous singing. I was extremely proud of them all. Thank you very much indeed to all the singers, to those parents who came to support us, and to Ms Tomes, Mr West and Reverend Leach for transporting and helping.

## Festive Jumpers

On the last day of this term, **Tuesday 19th December**, pupils and staff are invited to replace their usual jumpers with a Christmas version. The rest of the Walkwood uniform is to be worn, please, as it is not a non-uniform day.

**£1 donation to Save the Children.**

This is not compulsory! There will be pupils and adults who will be in their usual attire.

School will finish at the usual time of 3.30pm—ho, ho, ho!

## Music tuition

As we allow parents to spread the payment cost over the term, the finance office would very much appreciate it if you could work to the payment deadline. If payments have been missed, please 'top up' as soon as possible.

If you have any queries or problems with payments, please contact Mrs Wood, our Finance Manager, or Mrs Griffiths, Head of Music. We are always happy to help, and can usually find a solution to the problem.

## Hair styles

Thank you to all those parents/carers who get in touch with support or suggestions. These help us to improve both the academic and life experiences that your child receives while they are at our school. You can be assured we are constantly reviewing all aspects of our school to ensure your child receives the best possible education.

In support of this, the school has a number of policies which set out the levels and standards we expect for attendance, uniform, behaviour and homework. Copies of these are available on our website, [www.walkwoodms.worcs.sch.uk/](http://www.walkwoodms.worcs.sch.uk/). In depth uniform guidance is also outlined in the pupil planners as well as on the website.

The majority of our pupils respect and follow these policies. However, in recent weeks we have noticed that a small number of pupils are attending school with hairstyles which we do not consider appropriate within the policy, which makes us mention that we do not allow extremes of hairstyles in school. To avoid any confusion, all hairstyles need to adhere to the following guidelines:

- No parting lines, patterns or tramlines should be shaved into the hair or eyebrows.
- Hair should not be shaved shorter than a grade 2.
- No undercuts.
- Colouring is only allowed if it appears natural.
- Hair bands must be plain and only blue, black or grey in colour (no other hair accessories should be worn).
- Hair extensions are not permitted.

Please note that should a Walkwood pupil be found not to be adhering to the above, it may be that they are withdrawn from their normal timetable whilst parents are contacted and the issue rectified. In some cases it may be necessary to send a pupil home to make the necessary adjustments, before returning to their learning. The school's decision in all matters is final.
