

Dear Parents and Carers,

For two days this week, there have been 144 pupils taking part in the Arts Evening performances - that is about 1/5 of the school! There was a real mix of different acts and routines, as well as a gallery of artwork from all year groups. There was palpable excitement backstage, and the need to move the pupils around so they are in the right place at the right time is no mean feat. Thank you to all those who came to watch, and also to those of you who have acted as a taxi during rehearsal times. It was a pleasure to be involved in helping our pupils demonstrate their skills and talents, and my thanks go to the staff who helped prepare them and those who supported in various roles on the two evenings.

We have had our two Deep Days which cover aspects of the Easter story - there are additional details inside this edition. The pupils have worked well on understanding the different stories from the Bible that are associated with Easter. Additionally, each College visited The Bridge Church for a service which was led by senior pupils from the College, and presided by Father Glenn, who is also our Chair of Governors. I think it is important that pupils have the responsibility of taking important parts in the service. All those who did so carried out the task so well.

With Easter falling somewhat late this year, the Spring term has been rather longer than usual, although we make up for that in the next half term as it is as short as it could ever be. We return to school on Monday 29th April. In the meantime, I wish you a happy time, and pray for enjoyment and safety for our pupils (also hoping that you avoid hearing "I'm bored" until the second week, if at all!)

Principal

The angel said to the women, "Don't be afraid! I know you are looking for Jesus, who was nailed to a cross. He isn't here! God has raised him to life, just as Jesus said he would.

Matthew 28: 5-6

Happy Easter

A Prayer for Holy Week - death and resurrection

Father,

We thank you that you sent your Son, Jesus Christ to die for us. We thank you that He lay down his life to give us an opportunity to live with you in our lives, present and beside us every day. We thank you that Jesus rose from the dead, defeating evil in it's face and showing us that we can face it too. Let us trust in you, that we are your children, and you love us enough to allow yourself to suffer as we do on earth. We praise your almighty name, Amen.

This week's theme was: Holy Week - death and resurrection

Standing close to Jesus' cross were his mother, his mother's sister, Mary the wife of Cleopas, and Mary Magdalene. Jesus saw his mother and the disciple he loved standing there; so he said to his mother, "He is your son". Then he said to the disciple, "She is your mother." From that time the disciple took her to live in his home. Jesus knew that by now everything had been completed; and in order to make the scripture come true, he said, "I am thirsty." A bowl was there, full of cheap wine; so a sponge was soaked in the wine, put on a stalk of hyssop, and lifted up to his lips. Jesus drank the wine and said "It is finished!"

The Fruit of Faith is:	Thankfulness	You are my God, and I will give thanks to you. <i>Psalm 118: 28</i>
The tutor group virtue:	Humility	Jesus noticed how some of the guests were choosing the best places, so he told this parable to all of them “When someone invites you to a wedding feast, do not sit down in the best place. It could happen that someone more important than you has been invited, and your host, who invited both of you, would have to come and say to you, ‘Let him have this place.’ <i>Luke 14:7-9</i>
The assembly theme:	St George	Jesus said to all, “If anyone would come after me, let him deny himself and take up his cross daily and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will save it. <i>Luke 9:23-24</i>

We ask for your thoughts and prayers in the week ahead for:

Year 6 Easter Maths SATs Revision

Year 6 pupils have been given 'Ten for Ten' revision booklets, by their Maths teachers, to complete over the Easter holidays. The SATs are just two weeks (9 school days) away after we return to school so these booklets are a great way to keep the maths skills pupils have been taught fresh in their minds. The idea is that they do 10 minutes a day for 10 days over the holidays.

The creator of them suggests marking them as they go along and some parents have asked for the answers in previous years. With that in mind, we have uploaded the answers onto the school website should you wish to do this: <http://www.walkwoodms.worcs.sch.uk/> in Curriculum then Mathematics.

Pupils will receive points for completing the booklet.

Thanks for your support as always.

Deep Days

Wednesday 10th and Thursday 11th April 2019

Abberley – Ascension and Followers

Forty days after the resurrection, Jesus ascended into heaven. This story can be found in Chapter 1 of the book of Acts. After this event, the Holy Spirit descended on the disciples and they felt moved to preach the word of Jesus. This session looks primarily at having the courage to stand up for what you believe in.

Day 1

Film clip - Acts in 3 mins. From this examine the artwork of STIK and recreate their own STIK characters.
 Stephen's story – he was stoned to death for what he believed in.
 Examine the speech of Marianna Williamson and write down things that are good about each member of the class.

Day 2

What was Jesus' message for the world? – Create own love heart sweet message.
 Art activity – Jesus and the dove 'Now you see him, now you don't'.
 Looking at Christians who are filled with the Holy Spirit and how it shows in real terms. How can we make a difference in the world?

Bredon – Food and Festival

The night before Jesus was crucified, he ate a meal with his disciples. Because they were Jewish, they were actually celebrating the Jewish festival of Passover. This is also the time when Jesus announced that one of his disciples would betray him and that another would deny knowing him. This session is largely about why food is important, particularly when celebrating, and how it can bring people together.

Day 1

What do you celebrate?
 Thinking about celebrating and why we do it
 Introduction to the Passover story
 Making party bags.

Day 2

Introduction to Eid and its symbolism
 Creating henna/mendhi designs
 The Last Supper & understanding Holy Communion
 Making cross boxes.

Cleeve – Justice and Fairness

Before Jesus was crucified, he was put on trial before Pontius Pilate. However, it was not a fair trial, as he was put in front of the crowd and they were told to decide who should be executed. The choice was Jesus or Barabbas, who was a known murderer. This session looks at the idea of human rights today and empathising with the various different people in the scene.

Day 1

Human rights today – drawing around a person and thinking about what is important.
 The trial of Jesus – creating a speech/drama/song/rap
 Making a crown of thorns.

Day 2

Recap on what Jesus was being prosecuted for.
 Debate scenarios connected with Barabbas and moral issues today.
 Creating a meme/fridge magnet
 Nelson Mandela speech and creating a superhero cape and mask around the speech.

Malvern - Garden and Guests

The night before Jesus was crucified, he went to the Garden of Gethsemane to pray. His disciples came with him and he asked them to keep watch. Unfortunately, they all fell asleep and let him down. In the Gospel of Mark there is a reference to a young boy who witnessed the arrest of Jesus. In this session we are looking at the scene from the boy's point of view.

Day 1

Trust game & Orienteering.
 The story of the Garden of Gethsemane. from the view-point of the young boy in the garden.
 Designing a new school garden.

Day 2

Creating stones that show places or people that means something to us.

YouTube is an online platform - owned by Google - where anyone can upload & watch video content. All different types of information, advice & entertainment are uploaded & billions of people tune in to watch, rate & comment on it. As a parent, it's important you understand exactly what content your children might be seeing.

What parents need to know about YOUTUBE

INAPPROPRIATE CONTENT EASY TO ACCESS

Any child with a Gmail account can sign into YouTube & access videos. Some content is flagged 'age-restricted', but the platform relies on self-verification, meaning kids can get around the rules with a fake date of birth. This could enable access to vulgar, violent & dangerous videos.

USERS CAN PRIVATELY CONTACT YOUR CHILD

When your child is signed-in to YouTube with their Gmail account, there are various ways they can send & receive messages. This could be via the messages icon, or via the 'About' tab. There is scope here for users who your child does not know to make contact.

YOUTUBE SUGGESTS RELATED CONTENT

YouTube will often 'auto play' videos based on your child's viewing habits. The aim is to show related & appropriate content. But the problem is: it's possible your child will be exposed to inappropriate content that isn't accurately related.

'CHALLENGE VIDEOS' CAN GO TO FAR

Challenge videos refer to a stunt you're encouraged to recreate & film. Many challenge videos can be harmless & for a good cause, like the Ice Bucket Challenge. But some are dangerous & even life threatening, such as the Bird Box Challenge.

SHARING VIDEOS RISKS YOUR CHILD'S PRIVACY

If your child has a Google account, they can upload their own videos. To do this, they must create a personal profile page known as a 'YouTube Channel'. The videos uploaded here can be viewed, commented on & shared by anyone. This could put your child's privacy at risk.

Tips To Protect Your Child

APPLY 'RESTRICTED MODE'

Restricted mode helps to hide any mature or unpleasant videos from your children. It uses YouTube's own automated system & looks at what other users flag as inappropriate content. It must be enabled in the settings menu on each individual device.

CHANGE WHO CAN SEE VIDEOS

You can change who can view your child's content in the settings. Options include Public (available to all), Private (only available to people you share it with & cannot be shared) or Unlisted (available to people you share it with & can be shared further).

BLOCK CONCERNING USERS

To help protect your child from cyber-bullies, harassment or persistent offensive comments, you can 'block' individual users. Doing so hides your child's videos from the user & stops the user being able contact your child in any way.

CUSTOMISE THEIR EXPERIENCE

Influence & control what your child watches using features such as Playlists (your videos play continuously rather than videos YouTube recommends) & Subscriptions (you choose channels your child can watch). It's also good to turn off auto play by toggling the blue button alongside the 'Up Next' title when viewing a video.

CREATE A 'FAMILY' GOOGLE ACCOUNT

Create a Google account to be used by the whole family. This will allow you to monitor exactly what your child is watching, uploading & sharing. Plus, your child's YouTube page will display their recently watched videos, searches, recommended videos & suggested channels.

GET YOUR OWN ACCOUNT

Create your own account so you can explore features yourself. Learn how to flag inappropriate videos, how to moderate comments & how to block users. This will help you feel more confident when providing advice & guidance to your children.

BE MINDFUL OF CYBERBULLYING

Once your child has posted a video, a worldwide audience can see it. Strangers may choose to comment on the video, both positively & negatively. So, be careful to check comments & any other interactions your child is making through the platform.

GET TO KNOW POPULAR CHANNELS

It's good to know which channels are most popular with your children. Some of the most popular channels right now are: PewDiePie, NigaHiga, Zoella, KSI, JennaMarbles, Markiplier, Smosh, ThatcherJoe & Casper Lee.

DON'T ASSUME YOUR CHILD IS TOO YOUNG

YouTube and YouTube Kids are quickly becoming the chosen viewing platforms for children between the ages of 3-15 & it's likely this trend will only increase. It's also possible children will become familiar with the platform at a younger & younger age. So it's important to understand the positives & negatives of the platform.

MAB Achievement for the National Autistic Society

What a fabulous week for the MAB. The pupils were inspirational in what they have achieved. In between the sponsored silence, decorating cakes and the bake sale the children raised a wonderful £247.11 for the National Autistic Society. Staff and children thoroughly enjoyed the organisation beforehand and the actual day. We are very proud of the awareness that has been raised and effort all the pupils put into the charity event. The children have already asked if we can do it all again. Hopefully, you have enjoyed seeing the spectrum of colours created by the whole school today.

Arts Evening

Wow! What can I say? If you were unable to watch either of our Arts Evening performances, you missed a real treat! There were drama and dance performances, created from work done in lessons; there were performances from extra-curricular clubs like the signing group, cheerleaders, choir, orchestra and our Nearly Jazzy band; pupils who have guitar and drum lessons created larger group performances; there were several solo and duet instrumental and dance performances; the poetry recital was inspired by our World Book Day's poetry theme, whilst the Poetry Slam was the result of a poetry enrichment day; the band Graffiti ("please can we borrow the amps and the microphone") responded to the challenge of their first public performance; beautiful and intricate artwork and craftwork created a fascinating art gallery.

We have some very talented pupils here at Walkwood and it was fabulous to see so many of them getting involved and performing with such confidence and enthusiasm. Of course much blood, sweat and tears was shed in the rehearsal process, but with true Walkwood determination and perseverance all our performers aimed for their best possible performance. A huge "Well Done" to all pupils for being amazing and a massive thank you to everyone who contributed their help and support and time.
