

# Walkwood

Church of England  Middle School

**Sport Premium Funding**

**Academic Year 2017-18**

## Introduction

Most schools with primary-age pupils receive the PE and sport premium funding. Schools receive the funding based on the number of pupils they have in years 1 to 6. Schools with 16 or fewer eligible pupils receive £1000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

## Purpose of the Sport Premium Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, funding can be used to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

For more information please follow this link: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

Funding received for academic year 2017-18		Not yet published (Prediction=£19,600)
Outcomes ( <i>Desired outcomes and how they will be measured</i> )		Success criteria
1.	Develop or add to the PE and sport activities that your school already offers.	Introduce new sports or activities and encourage more pupils to take be active. Evidence in developing new lesson plans.
2.	Support and involve the least active children by running or extending school sports clubs.	Extra-curricular register participation, case study, pupil review of activity.
3.	Make improvements now that will benefit pupils joining the school in future.	Provision of equipment that will help facilitate learning and provide opportunities.

1. Develop or add to the PE and sport activities that Walkwood Church of England Middle School already offers.						
Outcomes	Chosen action / approach	Impact	Actions	Staff lead	Review	Cost
Introduce new sports activities to encourage pupils to be active.	Provision of aerobic step equipment.	Enable students to try a different type of fitness activity that will provide enjoyment and give a taste of classes, which are available to students to help them maintain a healthy active lifestyle. Due to the increased number of pupils more boxes need to be purchased to ensure participation for all	Creating step aerobics lesson plan ideas and resources.	Curriculum leader PE PE department	Spring half term	£300
National curriculum requirement.	Swimming	Students are required to swim 25metres and learn a variety of different strokes.	Letters provided to parents about the provision of swimming lessons. Swimming lessons do not take place in PE lessons.	Curriculum leader PE PE TA	End of year	£3000
Developing indoor athletics	Athletics	This enables us to enhance athletics club offered - if the weather is wet it enables us to continue to offer throwing events when in doors.	Used effectively to teach how to throw a javelin- using lesson plan ideas.	PE department	End of summer term	£100
Increase participation in competitive sport.	Indoor athletics equipment – tunnel	Within our school partnership, indoor athletics competitions are available to all years – including both track and field. Having this equipment available enables students to develop not only their physical skills but also social and character ethos appropriate for competitive environments.	Used within lesson planning for athletics and also at extracurricular athletics club.	Curriculum leader PE PE department Schools sports coordinator	End of year	£200

## 2. Support and involve the least active children by running or extending school sports clubs.

Outcomes	Chosen action / approach	Impact	Actions	Staff lead	Review	Cost
Kurling	Kurling equipment has been purchased to support and involve the least active and SEN pupils – hopefully then increasing pupils participation into the school games.	We want to encourage different pupils to come along to a different type of sporting club. Also out of our SEN pupils, not many attend clubs after school.	Two PE TAs will be running and implementing the club. Sending invitations out to target specific pupils.	HOD and PE TAs	End of Year	£500
Football goals and balls	With the provision of new football equipment we will be able to extend out sports clubs and increase competition in sports.	Football is a big sport at our school and with the provision of new equipment will enable us to cater for more children at our recreational football club-, which attract many SEN and pupil premium pupils. It also enables us to hold competitions and increase participation in district, school games, extended tournaments and county cup games. Will also help develop the football curriculum in school.	PE staff monitor pupils who attend using registers.	PE department	End of winter term	£1500
Boccia	Boccia equipment has been purchased to support and involve the least active and SEN pupils – hopefully then increasing pupils participation into the school games.	We want to encourage different pupils to come along to a different type of sporting club. Also out of our SEN pupils, not many attend clubs after school	Two PE TAs will be running and implementing the club. Sending invitations out to target specific pupils.	HOD and PE TAs	End of Year	£300
To support more children at extra-curricular clubs	PE teaching assistants used at and for extra-curricular PE clubs	To encourage and enable more pupils to attend extra-curricular clubs. To enable us to run more clubs and increase the numbers that can attend these clubs.	Two PE teaching assistants to have their contracted hours extended to include after school club time for 4 days a week.	Curriculum leader. DPa Nfo	End of the year	£3330

To provide a cheerleading after school club	Two members of PE department to complete training courses to enable them to lead cheerleading. Cheerleading club to start.	To encourage and enable more pupils to attend extra-curricular clubs. To enable us to run more clubs and increase the numbers that can attend these clubs. To offer more varied clubs.	Two members of PE department to complete training courses to enable them to lead cheerleading.	KRe LMO	End of the year	£500

### 3. Make improvements now that will benefit pupils joining the school in future.

Outcomes	Chosen action / approach	Impact	Actions	Staff lead	Review	Cost
Increased participation in competitive sport.	High jump poles, bar,	Within our school partnership our school competes in events with various other middle and secondary school. The provision of new high jump equipment enables this to be taught within athletics lessons and prepare students for competitive situations. It is also an event within our own school sports day and provides an alternative event to running and throwing. Enables us to have two sets of high jump going on at a time – meaning greater participation.	Used within lessons (identified on lesson plan) and also in extracurricular athletics club.	PE department	End of summer term.	£130
Increased participation in competitive sports	Match Cricket stumps	To help provide existing staff with training or resources to help them teach PE and sport more effectively and help pupils play competitively for school games practice.	Used within extracurricular club and matches when applicable.	Cricket teachers	Summer term	£100
Introduce new sports or activities and encourage more pupils to take up sport	Lacrosse sticks	Lacrosse is a sport not often participated in at state middle schools- as a result all pupils start at the same level of understanding and therefore can be more enjoyable.	Used within lessons along with planning to support invasion game until within school.	PE department	Summer term	£250
Make improvements that will benefit	Ipads and TV screens for	It will provide opportunities for staff to use ICT to support lessons and aid those pupils who prefer to access their learning through visual techniques, enabling differentiation. The	Used within lesson planning for athletics and also at extracurricular athletics club.	PE department	Summer term	£4000

pupils joining the school.	changing rooms.	<p>potential to enrich starters and plenaries, show pupils correct techniques of skills, show case pupil performances (and thus support self and peer assessment qualities) will help secure learning.</p> <p>Also means that clubs can be advertised (ensuring greater uptake and reminders) and school games information reported on when pupils are getting changed.</p>
