Church of England  Middle School

**Sport Premium Funding-**  
**Academic year 2021 – 2022**

## What is Sport Premium?

Allocated government grant which is used to help make additional and sustained improvements to the provision of Physical Education and sport for primary aged pupils (year 5 and 6 for our school). The premise is that, as a school, the provision will help to encourage healthy, active lifestyles as a result of providing a positive experience and hopefully encourage lifelong participation.

There are 5 criteria where improvements can be made:

- **Key indicator 1:** The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- **Key indicator 2:** The profile of Physical Education, School Sport and Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement
- **Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport
- **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils
- **Key indicator 5:** Increased participation in competitive sport

## Our vision

At Walkwood Church of England Middle school we recognise the importance of PE and the role it has to play in promoting long term healthy active lifestyles and making a positive impact on physical, mental and social health. We also understand that it should inspire pupils to succeed, develop confidence, build character and provide them with competitive opportunities. The skills, attitudes and values developed through PE are those which will help prepare for the next levels of learning but also be successful within the community and wider school setting. We look to inspire our pupils through engaging and fun lessons, offering a wide range of sporting activities and extracurricular clubs and providing competition.

The school's philosophy of **love to learn, lean to live, and learn to love** is integrated within the core concepts of pupil learning and assessment within PE and our vision is to facilitate pupil learning of skills and values which can be transferred across all curriculum areas and beyond the physical boundaries of school.

'I can do all this through him who gives me strength.'

*Philippians 4:13*

'..but those who hope in the Lord will renew their strength. They will soar on the wings like eagles; they will run and not grow weary, they will walk and not be faint.'

*Isaiah 40:31*

### Outstanding

Our Church of England Inspection said:

- ✓ The inclusive vision of the school ensures that all children are supported in their personal well-being and academic achievement.
- ✓ Key to the school's vision is that every individual is created in the image of God, and from this belief springs the school's outstanding attention to individual needs, both academic and pastoral.

✓ An impressive ethos pervades the school. Its motto 'Love to learn, learn to live, live to love' reflects the Christian principles that underpin the school's work. The school is fully inclusive of all faiths and beliefs. It values each individual. It has nourished a very positive climate for learning in the school which helps all pupils to thrive.

✓ During their time at the school, pupils develop into confident, articulate pupils. They acquire good social skills, develop tolerance of others and are resilient.

#### Netball, Benchball and Football College matches

The PE department run college matches twice a year, where pupils participate in a sporting activity against the other colleges in the school. Points are awarded to teams and these then go towards the college sports total at the end of the year.

College matches take place during lesson time where a whole year group will come down to PE at once. This may mean your child has two that week and so will need to bring their kit in on two days.

Monday 11 <sup>th</sup> October	Lesson 4 and 5	Year 5
Tuesday 12 <sup>th</sup> October	Lesson 4 and 5	Year 6
Wednesday 13 <sup>th</sup> October	Lesson 2 and 3	Year 8
Thursday 14 <sup>th</sup> October	Lesson 2 and 3	Year 7

Please can you make sure pupils have the correct PE kit for the following days. It is also recommended that boys have boots and shin pads.

Thanks,  
PE Department
