Key vocabulary: 11 Learning Journal (Teacher assessment). Learning Journal (Teacher assessment). Key vocabulary: Aquatic life, observations, jelly fish, Octopus, Learning Journal (Teacher assessment).		4		application skills.			artists inspired observations.	
5 research of Octopus facts and produce leading observations applying the scraffito technique. Recall, discuss and demonstrate what goes into an initial idea and design through producing a design sheet. End of half term assessment 7 Produce a design sheet for own coral reef, proposing jobs and building roles to table team members. End of half term assessment 8 Explore and experiment with different materials to create a coral reef. Practice and produce 2 stitching techniques- running stitch and overcast stitch. 9 Demonstrate confidence when applying 3D processes and techniques. Showcase (photo shoot), analyse and evaluate progress of final outcomes. 10 Produce an observational drawing from the best photo taken. Learning Journal (Teacher assessment). 12 Key vocabulary: Aquutic life, observations, jelly fish, Octopus, Learning Journal (Teacher assessment). 13 Aquutic life, observations, jelly fish, Octopus,
