Walkwood Church of England Middle School is a fully inclusive mainstream school. At Walkwood Church of England Middle School, all pupils are valued equally, regardless of where their abilities lie, with the Academy being committed to developing 'the best in everyone'. All pupils are entitled to have access to a broad, balanced and relevant curriculum, which is differentiated to meet individual needs. We are committed to equal opportunities, with pupils being encouraged to achieve their full potential, whatever their academic or physical ability, through the provision of a balanced and challenging curriculum in both content and styles of learning.

“Love is always supportive, loyal, hopeful, and trusting.”

1 Corinthians 13:7

“Church of England Schools have at their heart a belief that all children are loved by God, are individually unique and that the school has a mission to help each pupil to fulfil their potential in all aspects of their personhood: physically, academically, socially, morally and spiritually. Schools have a duty to try to remove any factor that might represent a hindrance to a child’s fulfilment. We want all pupils to want to engage in learning in a safe and welcoming ethos.”

Regulation	Question	Response
<p>1. The kinds of Special Educational Needs for which provision is made at the school</p>	<p>What kinds of SEND do pupils have in your school?</p>	<p>Children are identified as having SEND when they have a significantly greater difficulty in learning than the majority of children the same age or have a disability which prevents or hinders them from making use of education facilities of a kind generally provided for children of the same age in schools within the area of the Local Authority (SEND Regulations 2015).</p> <p>Pupils at Walkwood Church of England Middle School have a difficulty that fall within the four broad areas of need: Communication and Interaction; Cognition and Learning; Social, Emotional and Mental Health difficulties and Sensory or Physical difficulties.</p>
<p>2. Information, in relation to mainstream schools about the school's policies for the identification and assessment of pupils with special educational needs.</p>	<p>How do you know if pupils need extra help?</p>	<p>When your child first joins Walkwood Church of England Middle School, we use information from a range of sources to help identify SEND and other needs. These include information from parents/carers; first schoolteachers; end of year 4 stages; base line testing; subject teachers; specialist colleagues and external agencies.</p> <p>Our class teachers, Heads of Department and College Leaders closely monitor the progress and attainment of all pupils, including those who have or may have SEND. The continuous monitoring of pupils during their time at Walkwood Church of England Middle School will further identify pupils with a special educational need.</p> <p>This identification may come from tutors, subject teachers, support colleagues, College Leaders, outside agencies, parents/carers or the pupils themselves. If your child needs to be assessed we would use a range of assessments depending on the area of need. If it is thought a family needs support, we have good working relationships with outside agencies and a referral can be made to them.</p> <p>We follow a staged and graduated approach to identifying and assessing needs, using the 'Assess, Plan, Do, Review' model. The triggers for intervention could be the teacher's, support colleague's or others concern, underpinned by evidence, about a pupil who, despite receiving differentiated learning opportunities, does not make expected progress. All pupils identified with a SEND need are on the SEND register which is accessible to all staff. Staff use this information to inform their lesson planning, teaching and student learning activities. Targeted interventions are planned and delivered where appropriate. This may include small group or individual work across a broad range of activities.</p>

Regulation	Question	Response
<p>3a. How the school evaluates the effectiveness of its provision for such pupils</p>	<p>How will I know that my child is making progress?</p> <p>How do you evaluate provision?</p>	<p>Pupils with SEND and that have an Education, Health &amp; Care Plan are reviewed regularly, and all parties involved with that pupil will be invited in to attend their annual review. This part of the process is essential to ensuring progress towards targets both socially and academically are being made.</p> <p>The school has a Quality Assurance process that assesses the effectiveness of Teaching and Learning for all pupils, including those with SEND and the outcomes of these evaluations are used to create and implement development plans for all aspects of school life. These are reviewed through regular evaluation. Additionally, progress and attainment data for pupils is analysed for effectiveness and value for money.</p>
<p>3b. The school's arrangements for assessing and reviewing the progress of pupils with special educational needs</p>	<p>How do you check and review the progress of my child and how will I be involved?</p>	<p>The school will send home a report each year showing child's current and target stages, as well as their effort, behaviour and homework. Heads of Department, College Leaders and Inclusion staff will monitor and review your child's stages and pick up on any subjects where your child is not currently making expected progress, interventions may be put in place as part of a formulated plan. Reports are shared with the Governors who review the work of all departments.</p> <p>We welcome the involvement of parents/carers and want to keep you up to date and involved with your child's progress. We do this through parents' evenings; email; telephone calls; appointments made with individual teachers; Annual Reviews/bi annual reviews (for those with an EHCP).</p> <p>The school provides information weekly for parents through newsletters and information on our website.
