

Dear Parents and Carers,

There are two school events in parts of the world that have probably been overlooked this week, both taking place on Wednesday. In the Brazilian city of São Paulo, two gunmen who opened fire at a school in killed at least five students, and two staff members. The attackers were former pupils. Then, at least 10 people have died after a building containing a school collapsed in the Nigerian city of Lagos. The school, which was on the top floor of the four-storey building, had more than 100 pupils. In our own business around school, we do well to hold in prayer the children and teachers who have been affected by these events.

Come to me, all of you who are tired from carrying heavy loads, and I will give you rest.

Matthew 11:28

In assembly this morning, we looked at how Comic Relief came out of the Live Aid concerts on Saturday 13th July 1985. Those actions came from the news reports that the BBC reporter, Michael Burke, brought back from Ethiopia, where the combination of three consecutive years of failed harvests, and a civil war, had brought “a famine of Biblical proportions”, he said. The first Red Nose Day was in 1988, with a second following the next year before the fundraising was scheduled for every two years. Let us hope that today’s events continue the good work.

Before half term, Gladstone Wilson came in to do group singing with Years 5 and 6. He is very cool, even more so than I am 😊 As I write this, the sound of Year 7 singing away is coming through to my room, and I am hoping that Year 8 will be equally as bold this afternoon. It is a joy to hear the pupils take part, as Gladstone chooses ‘pop’ songs which their children will know but which are appropriate for them.

Thank you to all of you who have collected pupils later on after the day’s end as they have been preparing for the forthcoming Arts Evenings. The two dates are Tuesday 9th and Wednesday 10th April, where the show will start at 7pm. Tickets will be on sale from Monday.

#### A Prayer for Poverty

Dear Father God,

We pray for those who are less fortunate than us. For families struggling for the most basic of things. We pray that your love is with them and that they will not be discouraged. That you will bless them abundantly. We pray that they can teach us to understand how blessed we are by what we do have.

Amen.

This week’s theme was:  
Poverty

Open thy mouth, judge righteously, and plead the cause of the poor and needy.

Proverbs 31:9

## The Walkwood football academy keeps producing

Achievement  
Aspiration

After success at the District 7-a-side competition the Year 6 Girls Football Team progressed through to the County Finals held at South Bromsgrove.

The team went feeling confident but also weary that this was another step up as they were competing against schools from all across Worcestershire. The girls started really well winning their first game in style and remained in control of the game throughout. This success continued throughout the competition with the Walkwood Team winning all their games, topping the table and qualifying for one of the 4 regional finals! An amazing achievement.

On Saturday 9<sup>th</sup> March the girls travelled to the Regional Finals in search of a place in the Danone Cup National Finals!

Again the girls started well in the group stages, grinding out a well deserved win in their first game and this set the tone for the rest of the competition. In a very competitive group the girls managed to go through second in the group and if it wasn't for goal difference were unlucky not to top it with some stubborn performances and hard work.

Up next was the semi-finals, again it was a very tough match and we had to battle back from a goal down to eventually win the game via a penalty shoot out! Amazing perseverance.

With this win it meant the girls had qualified for the National Finals and could go into the Final knowing their hard work had paid off. The Final was decided on penalties with the girls narrowly missing out after a dominant display in the game! Nonetheless what an achievement, National Final second year running! Well done girls amazing job!

## Hockey and Rugby College Matches

The PE department run college matches twice a year, where pupils participate in a sporting activity against the other colleges in the school. Points are awarded to teams and these then go towards the college sports total at the end of the year.

College matches take place during lesson time where a whole year group will come down to PE at once. This may mean your child has two PE lessons that week and so will need to bring their kit in on two days.

Tuesday 19th March – Lesson 2 and 3 – all of Year 8

Wednesday 20th March – Lesson 2 and 3 - all of Year 5

Thursday 21st March – Lesson 4 and 5 - all of Year 7

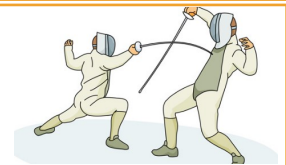

Due to a class with Year 6 English lessons Year 6 will play matches within their normal lessons.

Please can you make sure pupils have correct PE kit and equipment for the following days.

Thank you for your support.

## William Allardice – Fencing

I did it, I won Gold!

I am now the West Midlands Region Under 12 Boys Sabre Fencing Champion.

This also means that I qualified to represent the region in Sabre at the British Youth Championships in May and having already qualified for Foil last month, I'll be competing with both weapons.

# Word of the Week

This week's Word of the Week:

**cumulative**

What word class is this word? Could it belong to more than one word class?

How many syllables does it have?

Write the dictionary definition(s) of this word, using your own words.

Are there any synonyms for the word?

Are there any antonyms for the word?

Write four sentences, each containing the word.

Challenge: vary the type of sentence each time: write one as a statement; one as a question; one as a command and one as an exclamation sentence.

For example, if the *Word of the Week* were joyous:

*Statement: Xavier is feeling joyous this morning.*

*Question: Does that music sound joyous to you?*

*Command: Make yourself look a little more joyous.*

*Exclamation: What a joyous evening!*

Show your tutor your notes on Word of the Week and receive a merit for answering the questions above!
