

Dear Parents and Carers,

This week's theme has been in preparation for Remembrance Day on Monday, and Mrs Johnson lead assemblies as a reminder too. Our school will mark the Act of Remembrance at 11am on 11th November. Some writing by our pupils, facilitated by the author who visited before half term, is included inside. The Picture of the Week pays tribute to the women of World War Two, who were much overlooked until the building of the second cenotaph in London, which is shown within the picture.

At The Vaynor First School this morning, I joined Year 4 as they laid poppies around the tree, with our Head Boy, Joe, and Head Girl, Lexie, taking part. I was impressed by the commitment of the children from our neighbouring school, and expressed my thanks to them through their Headteacher, Mrs Dunstan.

God will settle disputes among great nations. They will hammer their swords into ploughs and their spears into work tools. Nations will never again go to war, never prepare for battle again. *Isaiah 2:4*

We held information evenings on Wednesday of this week to cover Renaissance Reading, Year 6 SATs and also for the Key Stage 3 Curriculum. It is right and appropriate that reading has once more come to the fore as an issue in school, but for us it never went away. The impact of regular reading at an appropriate level is now conclusive in links to higher GCSE results. As a dyslexic person, I know only too well the challenges that reading regularly can bring (with which my Mother would agree!). Regarding SATs, the position we have taken in the past will continue, that is we will not 'drill' the pupils for their tests, but prepare them thoughtfully and supportively. The feedback from the sessions was very positive indeed, and the resources are available on the website should you wish to follow up.

Finally, some of the PE classes this week have been doing gymnastics in the Hall, which is accompanied by music. I am amazed at how the youngsters are able to sing along and carry out their activity too!

Rev. C. Leach, Principal

A prayer for Remembrance (WW1)

Dear Lord, As we remember the days of war over 100 years ago, we pray that you will fill our hearts with humility and hope. We know that you conquer all things and we pray that you are with those who are remembering people today, and those who are in war today. We pray for your protection of them and your love over them, that they will feel safe in your arms. Amen.

This week's theme was: Remembrance (WW1)

He shall judge between many peoples, and shall decide disputes for strong nations far away; and they shall beat their swords into ploughshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore.

Picture of the Week

There are 17 individual sets of clothing and uniforms around the sides, symbolising the many different jobs women undertook in World War II. These outfits include uniforms as worn by the Women's Land Army, Women's Royal Naval Service, a nursing cape, a police overall and a welding mask. Princess Elizabeth (now HM The Queen) trained in London as a mechanic and military truck driver.

Why I remember

You signed up,
that's why I remember

but for your sacrifice,
that's why I remember

You fought your battles,
that's why I remember

but most of all for your age,
that's why I remember

You took that last breath,
that's why I remember

Dylan Foster – Agg.

THANKFUL

You were too young to die

And that's not a lie

You were worried you might never come home

But you were proud to be a fighter

I am thankful

You felt so grown up

No one can replace that

You might have felt old

but you were only so young

I am thankful

You were anxious

And I understand

you were brave

and I like that

I am thankful

Thank you, I am so grateful to you

Joe, you were very mad
But now we are very sad
You went and sacrificed your life
So now you have no children and wife
You were very brave
But sometimes you had to hide
You should be very happy
And you should be full of pride
You are my hero, my saviour and my hope
You shall always live in my heart
Ryan. Arkell

Sacrifice

*Too young to die,
you sacrificed your life*

*Too stubborn to leave,
you sacrificed your life*

*Too save your country,
you sacrificed your life*

*Only fourteen,
you sacrificed your life*

*You sacrificed your life,
and for that I thank you*

We would like to invite you and your child to a FREE Science Family Learning Evening

The Physics of Forces

with Dr Jenny Watson of the Ogden Trust, at St Bedes Middle School, Holloway Lane, making physics matter Redditch, B98 7HA. This will take place on **Wednesday 13th November** from 6pm to 7pm.

The evening is aimed at Y6-8 pupils and their families. The intention of the evening is to engage them in Physics in a fun and accessible way. We would ask that at least one adult accompanies a maximum of two children.

The night will consist of an interactive 30-minute talk full of demonstrations, followed by the chance to try a number of activities yourself, including sitting on a hoverboard, making a CD hovercraft (please bring a 'Fruit shoot' bottle top if you want to keep it), balancing a helium balloon in mid-air, making a ping-pong ball hover etc.

If you would like to come, please collect a letter from your Science teacher and return the reply slip to the drop box before the 12th of November.

Note: There are limited spaces reserved for pupils and families from our school - which will be allocated on a first-come-first-served basis.

Please note Science Club is cancelled on the 13th November 2019 for one week only.

Music News

Walkwood's annual Christmas Carol Concert will be taking place on Wednesday 18th December in the school hall starting at 7.30pm. Everyone is welcome to attend. There are no tickets for this event; instead we have a collection for a local charity.

Our choir and orchestra have already made an excellent start to rehearsals. There is still time for any new singers to join us at our lunchtime rehearsals: currently Mondays and Thursdays at 12.50pm in the Music Room.

Practice Earns Points

Pupils having instrumental or vocal lessons need to complete some regular practice in order to improve and make progress. Music practice needs only to be 10 minutes a day for beginners, increasing as pupils progress through their grades.

So, for all pupils who have instrumental or vocal lessons: aim to complete at least 10 minutes of music practice on 5 days of any week and you will earn an Independent Learning point. Your practice diary will need to be signed by your parent or carer. Bring your practice diary to Mrs Griffiths in the Music Room to claim your points.

Happy practising!

Times table rock stars upcoming event

To celebrate the first **Maths Week England** EVER, we're running our biggest online competition yet!

This November, we're on a mission to find the most dedicated TTRS schools, classes and pupils across England! All schools in England are invited to compete and show the rest of the country what they are made of.

From November 11th until November 16th your school can participate in a competition competing against schools across England to answer the most questions you can on TTRS! What's the prize you ask? A TTRS Pizza Party Special, of course!

Prizes include:

- A pizza party for the top 3 classes (most questions answered correctly on average per pupil) from across the country.
- Trophies for the top 3 schools from across the country
- Certificates for the top 3 classes in the country, top 3 pupils overall across the country and top 3 performing pupils within each school.

As a school we will also offer the following prizes:

- Certificate and Epraise badge for the pupil with the highest number of correct answers in each year group.
- Certificate for the maths class with the highest number of correct answers in each year group.
- Krispy Kreme doughnuts for the Walkwood maths class with the highest number of correct answers.

All maths classes have been entered for this competition. It will open at 7am on Monday 11th November and close at 7pm on Saturday 16th November.

All pupils need to do is play on TTR as much as they can. All prizes are calculated on the number of CORRECT answers they have during the competition time!

Word of the Week

This week's Word of the Week:

bellicose

What word class is this word? Could it belong to more than one word class?

How many syllables does it have?

Write the dictionary definition(s) of this word, using your own words.

Are there any synonyms for the word?

Are there any antonyms for the word?

Write four sentences, each containing the word.

Challenge: vary the type of sentence each time: write one as a statement; one as a question; one as a command and one as an exclamation sentence.

For example, if the *Word of the Week* were joyous:

Statement: Xavier is feeling joyous this morning.

Question: Does that music sound joyous to you?

Command: Make yourself look a little more joyous.

Exclamation: What a joyous evening!

Show your tutor your notes on Word of the Week and receive a merit for answering the questions above!
