

Dear Parents and Carers,

Last week I could not mention our Victorian School Day as it was still happening! This is a yearly event for Year 6, who experience some of the sorts of things that would have happened during a day at school in the days of Queen Victoria. The children did have 'drill' on the playground, which would have been as close to PE as would have happened. In classes, the way that information was taught was a bit like classrooms of days gone by, except that the rooms were warm last Friday and paper was available instead of chalk boards. There is a page inside of some of the costumes worn. Thanks to people at home for helping with these, and thus for setting the tone for the day. As you can see, some Walkwood staff also looked the part.

It is worth remembering that the idea of schooling which did not have to be paid for came from within the Church of England. The national church supported the setting up of 'free schools' (the schools that bear the same name nowadays are different) and there are schools even now that are built on land that was donated by the church or a generous local person. Walkwood carries on much of that tradition of Church of England schooling, but doing so in a way that is appropriate for our current times.

This Wednesday saw Year 5 going to see The Wizard of Oz at the Birmingham Repertory Theatre. This trip was to build on the work that has been done in English lessons, where the book by L. Frank Baum has been studied. Because it was at the Rep, the standard of production was superb, as was the conduct of our pupils. For some of the children, this was the first time they had experienced live theatre, and the comments we have received were really positive.

Next week brings the Deep Days on Wednesday and Thursday when pupils work within their tutor groups, with Christmas lunches on those days (check for when which College goes when). Wednesday evening of the week ahead sees our Christmas Concert, beginning at 7.30pm. You are most welcome to come along, for there is no need to purchase tickets. Do come along if you would like!

And you, Bethlehem, in the land of Judah, from you shall come a ruler who is to shepherd my people. *Matthew 2:5-6*

Ps: See inside for my comments about test results, as there has been some press reports that do not tell the true picture!

### A Prayer for Advent—waiting

As we look upon this season, and wait upon the day in which we remember that you sent your Son, we remember how long people waited for the Messiah to come. We think of the amazement of those that were there and the joy they must have felt knowing the wait was over. We pray that our hearts can also wait on you. That we are not impatient, and that we know you will come when we ask. Let us wait in solitude for you.

### This week's theme was: Advent - waiting

Joseph had a dream. God's angel spoke in the dream: "Joseph, son of David, don't hesitate to get married. Mary's pregnancy is Spirit-conceived. God's Holy Spirit has made her pregnant. She will bring a son to birth, and when she does, you, Joseph, will name him Jesus—'God saves' - because he will save his people from their sins."

# For the week ahead

<b>The Fruit of Faith is:</b>	<b>Achievement</b>	At last I have seen what is good and beautiful: it is to eat and drink and to enjoy the good in all our hard work under the sun during the brief lives God gives us. That is our lot in life. <i>Ecclesiastes 5:18</i>
<b>The tutor group virtue:</b>	<b>Patience</b>	Patience develops strength of character in us and helps us trust God more each time we use it until finally our hope and faith are strong and steady. <i>Romans 5:4</i>
<b>The assembly theme:</b>	<b>The Star</b>	And the star the wise men had seen in the east went on ahead of them until it stopped over the place where the child was. They were thrilled and excited to see the star. When the men went into the house and saw the child with Mary, his mother, they knelt down and worshipped him. <i>Matthew 2:9-11</i>

## We ask for your thoughts and prayers in the week ahead for:

<b>The weekend</b>	New advances on keeping our world 'green'	<b>Monday</b>	The NHS doctors, nurses and support staff
<b>Tuesday</b>	Public services	<b>Wednesday</b>	Successful deep days at Walkwood
<b>Thursday</b>	The Royal Army, Navy and Air Force	<b>Friday</b>	A great Christmas for staff and pupils.

In February of this year we were inspected by Ofsted, and the report was placed on our website as soon after as we were permitted:

<http://www.walkwoodms.worcs.sch.uk/Inspections-and-Awards>

Walkwood was judged to be 'good' across all four areas. Where the inspectors suggested areas to work on, these were the same as on our school development plan - we know our school and what we are working on so we are better still!

There is much that can be said about league tables (I won't do so here), and simple numbers do not tell the whole story. For those who do like to check on such things, have a look here: <https://www.bbc.co.uk/news/education-46541454>. Unlike some schools whose results are in the league tables, we do not teach the narrow curriculum for Years 5 and 6: we do not give pupils a timetable that is almost all English and Maths. Walkwood pupils have a broad curriculum - they do a variety of subjects, and we feel that is so important.

What you will not see in league tables is that, as a middle school where Year 6 is a 'half way marker', is the progress pupils make from entry at Year 5 to when they leave in Year 8. **This is the real test for us, and Ofsted recognise that.** By the end of the four years here, about three quarters of Walkwood pupils make progress above that which is expected. The precise figure changes over the years depending on the year group who leave us, and we continue to publish a range of information to view: <http://www.walkwoodms.worcs.sch.uk/Performance-Data>

And in case anyone would forget, in February 2017 Walkwood was judged to be 'outstanding' at our inspection by the Church Of England. That looked at much more than RE, considering all that is done for the pupils and how it is done. The full report is here: <http://www.walkwoodms.worcs.sch.uk/Inspections-and-Awards>

Walkwood is a good school where pupils make really good progress. They have a whole range of subjects to study. The values we uphold and the ethos we have is judged as 'outstanding'. The care we give is superb. Extra-curricular provision is excellent (and free!). Our staff are hard-working and have the child at the heart of all they do. Looking at more than the league tables shows the quality of what Walkwood Church of England Middle School offers the community it serves.

## Christmas Lunch 2018

Christmas lunches this year will be held on Wednesday 19th and Thursday 20th December 2018. If your child wishes to have a Christmas lunch, the cost will be £3.00, to be paid via Parentpay.

Abberley and Bredon Colleges will have their Christmas lunches on Wednesday 19th December, while Cleeve and Malvern College lunches will be on the following day. **There will be no other catering available on these days**, so pupils who do not wish to have a Christmas lunch will need to bring in a packed meal from home; equally the children in the colleges not having Christmas lunch will need to bring in a packed lunch as no other meals will be available. Those who take free school lunches will be provided with their meal.

Please note that when paying by Parentpay, the Christmas lunch option will be listed as a separate item so that we can identify the number of meals required. Please select the Christmas lunch item (log in to Parentpay, then go into 'pay for other items') and ensure that you make your payment by 17th December 2018. If you are unable to pay by Parentpay, please put £3 in an envelope clearly marked with your child's name and tutor group and put it in the drop box. Please ensure that your child does not put their £3 in the cashloader as this method is only to be used for everyday school meals.

Please note, **no tuck** will be available on Wednesday 19th & Thursday 20th December.
