

Dear Parents and Carers,

We have been conducting tours of the school for prospective parents this week. The visitors were met by a member of Walkwood's senior leadership team, but they were then taken around the school by representatives of the pupil leadership team. Our pupils are able to explain the way that the school works, and emphasise those things that are important for children. The visit ends with questions taken by a school leader. Our guests have been highly complimentary about the pupil guides, noting that they are great ambassadors for the school.

On the final day of this half term, Thursday 21st October, we shall be holding a charity fundraising event. Our intention is to supply the local food bank as well as an international charity. For the latter we hope to raise sufficient funds to send a dairy cow to a village in a less economically developed nation through the charity Send-a-Cow. Therefore, on this day, we offer pupils the opportunity to dress in black and white and bring in £1 and a tin of food of some kind, with soups, canned fruit, vegetables or meat preferred. There will also be a raffle for cow-related items, each ticket costing 20p, and these will be available for the first three days of next week, with the draw taking place during our assembly on Thursday morning.

Blessed are the merciful, for they will receive mercy. Blessed are the pure in heart, for they will see God.

Matthew 5: 7-8

Year 5 parents have the opportunity for a meeting with their pupil's form tutor on Thursday afternoon, with face-to-face meetings being from 4pm until 6pm, with Microsoft Teams being used for virtual conversations for the final hour. We sent out instructions of how to book using ePraise on 29th September by email, but let us know if you need assistance.

A prayer for The Beatitudes

Dear Lord

Give us a hunger and thirst for righteousness; fill our hearts with love, overflowing with mercy; make our hearts pure, and give us a vision of your glory.

Amen

This week's theme was:

The Beatitudes

Blessed are the poor in spirit: for theirs is the kingdom of heaven.

Blessed are they that mourn: for they shall be comforted. Blessed are the meek: for they shall inherit the earth.

Blessed are they which do hunger and thirst after righteousness: for they shall be filled. Blessed are the merciful: for they shall obtain mercy.

Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God.

Matthew 5:3-9

# For the week ahead

<p><b>The Fruit of Faith is:</b></p>	<p><b>Friendliness</b></p>	<p>When others are happy, be happy with them, and when they are sad, be sad. Be friendly with everyone. Don't be proud and feel that you are smarter than others. Make friends with ordinary people. Don't mistreat someone who has mistreated you. But try to earn the respect of others.</p> <p><i>Romans 12:15-17</i></p>
<p><b>The assembly theme:</b></p>	<p><b>Harvest</b></p>	<p>For the Lord your God is bringing you into a good land, a land with flowing streams, with springs and underground waters welling up in valleys and hills, a land of wheat and barley, of vines and fig trees and pomegranates, a land of olive trees and honey, a land where you may eat bread without scarcity, where you will lack nothing, a land whose stones are iron and from whose hills you may mine copper. You shall eat your fill and bless the Lord your God for the good land that he has given you.</p> <p><i>Deuteronomy 8:7-10</i></p>

# What Parents and Carers Need to Know about APPLE GUIDED ACCESS

iPhones and iPads don't offer separate user accounts. So when you hand your Apple device to a child to play a game or watch a video, you're also handing them access to your email, the web, messaging and numerous other apps through which they could accidentally do something regrettable.

Apple Guided Access solves this potential problem by letting you restrict the iPhone or iPad to one particular app whenever your child uses the device. If they try and leave that app, they will be asked for a password or Face ID, meaning they can't access anything they shouldn't elsewhere on the device. Here, we show you how to find and set up the Guided Access feature, so you can confidently let your child borrow your iPhone or iPad.

## New household account feature for parents reporting test results

NHS Test and Trace are continuing to develop and improve the process for self-test reporting. Currently, if a parent is submitting results through their account on behalf of a child, they have to enter the child's details every time they report a result.

As a result of feedback from parents, NHS Test and Trace have introduced household accounts. This allows parents to save their children's details to their own user accounts so parents can report results for multiple members in the household more quickly and easily.

When reporting self-test results parents will now be offered the opportunity to create a household account, which should take no more than 2 minutes. Parents can then add all household members to their account, enabling them to save time when reporting all future self-test results.
