

Dear Parents and Carers,

We have been fortunate of late with the weather as it has meant that PE lessons can take place outside while we still are attentive to the restrictions which apply. As indoor PE has to take place in the hall, there is often the need to set-up for a lesson quickly after the space has been used for another activity. In come members of the Sports Council, who assist the PE staff in getting equipment in place. Therefore, I thank those pupils who are helping: not only is it pupils and teachers working well together (a feature of our school anyway), but it shows pupils that lessons ‘do not just happen’.

The rehearsals for our school production continue. This is another example of staff and pupils working collaboratively. As the show itself nears, so the teams of pupils who will carry out less obvious tasks will increase. In the meantime, the backdrop is becoming very colourful. None of us has yet to see the dreamcoat!

You will be aware that this week the Prime Minister has indicated a probable early end of restrictions about the coronavirus. After the formal announcement, we expect that the Department for Education will confirm what, if any, specific measures should continue in schools. We shall certainly keep some aspects in place for the rest of this term, such as pupils coming to school in PE kit, we really are aiming for things to be ‘back to normal’ in the summer term. We shall certainly be looking to reinstate the college-based tutor groups.

Preparations for the residential visits have been on-going, and we thank those whose pupils are going for maintaining the payment plan. If issues arise, however, please talk to us. We have financial commitments to our service suppliers and the payments are needed for these. The first trip will be for Year 6 to Yorkshire. The needs of each trip will vary, so how we manage the preparations will be dependant on a variety of factors. Do keep an eye out for messages.

Rev. C. Leach, *Principal*

Prayer: Book of Proverbs

Father God, We thank you for your wisdom. We ask that you can give us the wisdom to know what to do and how to live a good life. We pray for your wisdom in this school for the best decisions for each and every one of us. Thank you that we have the Bible to turn to in order to help us in our lives to live in the way that you want us to.

Amen.

This week's theme was: Book of Proverbs

These are the proverbs of King Solomon, David's son: He wrote them to teach his people how to live—how to act in every circumstance, for he wanted them to be understanding, just, and fair in everything they did.

Thursday 3rd March

To celebrate World Book Day this year, we will be holding two competitions.

Competition 1 - the Readathon

From 1st February until 1st March, we will be having a READATHON competition.

During this period, our highest reading pupils in each year group will win the following prizes for the most words read:

1st place - £20 Book Token

2nd place - £15 Book Token

3rd place - £10 Book Token

Also the winning teaching group (with the most words read recorded on Renaissance) will win an afternoon of pizza in school and a lesson 'off' of lessons! This means that our pupils need to pull together as a TEAM and read, read, read! Every quiz will count. Additionally, anyone who has reached Millionaire status since the start of September (meaning they have read one million words or more) will also be awarded £15 Book Token!

Competition 2 - Story Pebbles

Remember in the lockdowns, there were lots of pebbles around towns, which were painted with messages of hope and positivity? You would often see these on paths around Redditch, such as around Arrow Valley Lake. We would like our pupils to ALL to decorate a pebble to celebrate how much Walkwood loves reading.

It is simple:

- 1) Choose a medium/large sized pebble – smooth and flat is best
- 2) Decorate to show either a **book cover** or a **character** from a favourite book. Using paints or chalk pens works well
- 3) Try to include the name of the book or character on the pebble
- 4) Write your name and class underneath the pebble

The best designs will then be displayed along our main path leading to reception. They will be sprayed with varnish to make the design permanent and weather-proof, before being permanently affixed along the pathway. This will make a beautifully visual display to our visitors to show how much we read! Staff will be participating too.

How creative can you be?

These positivity pebbles were on display locally in Alcester during lockdown. You can spot some book characters here, too! Do you notice how intricate some of these designs are?

Please send all Story Pebbles to Mrs Johnson's office by World Book Day (3/3/22).

Finally, pupils will enjoy reading poetry across their lessons during the week of World Book Day.

Pupils will not be dressing up for World Book Day.

Please let me know of any questions via email. Happy reading!

Epraise Update

Points This Week: By College

We have a huge amount of lost property.

Most of what is in the three big boxes are drinks bottles, lunch boxes and coats. However, we also have a fair amount of PE kit, a couple of pairs of trainers and some spectacles.

If your child is missing anything, please just email us at office@walkwoodms.worcs.sch.uk with a description and size of the item and we shall see if it is one of the boxes.

Any items we have been able to match with a pupil is because there has been a name inside. If a child comes to get their item of clothing, we do try and add a name on one of the tags.

We put out the water bottles and lunch boxes each Friday in the hope that it will be reclaimed. Any of these which are still in the box by the end of next week we shall have to dispose of due to running out of space. Any uniform or coats that remain unclaimed we shall keep for a short while before donating onwards.
