Uniform Policy

Governing Body Committee responsible:	Ethos, Inclusion and Care		
Approval granted:	15 November 2021	Review date:	Autumn 2024

“Be merciful to them, O Master, and keep them safe; bring their lives to fulfilment in happiness and mercy.”

Tobit 8:17

“Church of England Schools have at their heart a belief that all children are loved by God, are individually unique and that the school has a mission to help each pupil to fulfil their potential in all aspects of their personhood: physically, academically, socially, morally and spiritually. Schools have a duty to try to remove any factor that might represent a hindrance to a child’s fulfilment. We want all pupils to want to engage in learning in a safe and welcoming ethos.”

Valuing All God’s Children, Church of England, 2014

“The core purpose of any Church school is to maximise the learning potential of every pupil within the love of God.”

SIAMS (Statutory Inspection of Anglican and Methodist Schools) 2012

This document is an agreed model procedure which the school governing body has adopted. The governing body may wish to approve additional guidance after consultation with staff to meet the operational needs of the school and to comply with the current legislation.

The procedure sets out the approach adopted by the Principal and the governing body to deal with requests for time off work during term time for school staff, and the circumstances in which paid leave and unpaid leave may be granted.

Any additional guidance agreed for use in the school will be provided in writing to all relevant staff.

Appendix 2

Variation of uniform

Any temporary variation of the uniform policy is part of the operational management of the school and therefore comes under the auspices of the Principal and other members of the Senior Leadership Team.

Variation of uniform may apply to:

- the whole, or majority of, the school;
- a particular year group;
- a specific group of pupils;
- an individual.

Reasons for variation may include:

- religious observance
- school event
- charity occasion
- sporting fixture
- school trip or visit
- weather
- medical

The use of sports kit is permission if a pupil or a specific group is competing on the same day.

When pupils are embarking on a school trip, or are returning from the same, they may not be in uniform. Most school trips will require pupils to be in school uniform, but other may not – it depends on the nature of the activity being undertaken.

In the case of medical variation, this will be time-bound and appropriate authority would be required. A parental statement that the pupil “is more comfortable in trainers” which relates to a health matter is unlikely to be appropriate.

In warmer weather, the compulsory wearing of the jumper may be laid aside, as may the use of a school tie. Such circumstances will be announced by the Principal or another member of the senior leadership team acting under such authorisation.

The use of a hijab is permissible, and there is no need to seek permission from the school to wear this. The headscarf must be black or navy blue with no adornment.
