

Walkwood

Church of England  Middle School

Sport Premium Funding-
Academic year 2023 – 2024

What is Sport Premium?

Allocated government grant which is used to help make additional and sustained improvements to the provision of Physical Education and sport for primary aged pupils (year 5 and 6 for our school). The premise is that, as a school, the provision will help to encourage healthy, active lifestyles as a result of providing a positive experience and hopefully encourage lifelong participation.

There are 5 criteria where improvements can be made:

- **Key indicator 1:** Increased confidence, knowledge and skills of all staff in teaching PE and sport
- **Key indicator 2:** The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- **Key indicator 3:** Raising the profile of Physical Education, School Sport and Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement
- **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils
- **Key indicator 5:** Increased participation in competitive sport

Our vision

At Walkwood Church of England Middle school we recognise the importance of PE and the role it has to play in promoting long term healthy active lifestyles and making a positive impact on physical, mental and social health. We also understand that it should inspire pupils to succeed, develop confidence, build character and provide them with competitive opportunities. The skills, attitudes and values developed through PE are those which will help prepare for the next levels of learning but also be successful within the community and wider school setting. We look to inspire our pupils through engaging and fun lessons, offering a wide range of sporting activities and extracurricular clubs and providing competition.

The school's philosophy of **Respect Kindness Friendship Honesty** is integrated within the core concepts of pupil learning and assessment within PE and our vision is to facilitate pupil learning of skills and values which can be transferred across all curriculum areas and beyond the physical boundaries of school.

'I can do all this through him who gives me strength.'

Philippians 4:13

'..but those who hope in the Lord will renew their strength. They will soar on the wings like eagles; they will run and not grow weary, they will walk and not be faint.'

Isaiah 40:31

The school's **Curriculum Rationale** can be viewed at: <https://www.walkwoodms.worcs.sch.uk/curriculumrationale>

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Provisions of dance, gymnastics, boxing, and Redditch united multi skills club.	Upskill staff so that clubs can be run during the academic year 2023/2024. Appendix item 7 shows the provision of extra-curricular we have been able to provide. Offering a wider range of activities to encourage participation.	Pupils are showing increased engagement in their physical activity and they actively enjoy and request participation.
Equipment to facilitate football	As you can see by appendix item 8. The facilities which were purchased during this year has lead to an increase in participation and opportunities for both intra (college matches) and inter competitions. We have been able to attend extended tournaments, as part of the school partnership, and our year 6 team were in the media for getting through to the Utilita Kids Cup final and winning.	This achievement has also helped to raise the profile of sport at school. Clinton Morrison visits Wembley finalists! Utilita Kids Cup (youtube.com)

Did you carry forward an underspend from 2021-2022 academic year into the current academic Year? YES £5,526.15

2023-2024 Sport Premium funding – Evidencing the Impact

Estimate Total funding:	£19,360
Total received as of November 2022:	£11,293
Total received as of May 2023	£8, 067
Total amount:	£24,886.15

Government's 5 indicators for spending:

- **Key indicator 1:** Increased confidence, knowledge and skills of all staff in teaching PE and sport
- **Key indicator 2:** The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- **Key indicator 3:** Raising the profile of Physical Education, School Sport and Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement
- **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils
- **Key indicator 5:** Increased participation in competitive sport

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Rag	Impacts and how sustainability will be achieved?	Cost linked to the action	Appendix
Raise the profile of PE by providing PE kit to PE and support staff who help run clubs. (this was ordered within the year 2023-2024, however, the money didn't come out until September and was used with the carry over money)	Pupils, teaching staff	3		Take pride in PE during lessons and when representing the school when pupils and staff are all in uniform. Also, when representing the school at external fixtures.	307.09	1
Swimming CPD Thursday 21 st December 2024.	Upskill staff to enable us to run swimming academic year 2024/25. This has been booked in for top up lessons at Woodrow First school.	1		The CPD has provided member of staff with the confidence to lead swimming lessons without the need for a swim teacher at venue. It also enabled this member of staff to confidently take pupils to a inter swimming competition held by the Redditch Partnership on 18/6/24.	80	2
Transport, affiliation, coaches	SEN pupils' opportunity to participate in penathlon tournament finals on 26/1/24 Pupils also got to participate in the Worcester schools FA county cup.	5, 1		We were able to take 13 pupils to participate in the finals of the pentathlon event- giving them experience of a competitive environment and helped us to continue to provide inclusive provision for all pupils. Across our football teams we won the county in 2 of our year groups and in 1 lost in the semi-finals. The coaches enabled us to provide CPD in football to a member of staff who was then able to organise team/ extended events and contribute to extra-curricular through the games/drills/skill ideas shown by the coaches.	405	8

<p>Introduce new physical activities to the curricular and extra-curricular provision. (Softball/ Tchouckball/ glow in the dark dodgeball) Use physical activity as a reward for those achieving across school subject areas.</p>	Pupils	2, 4		<p><u>Glow in the dark dodgeball</u> - 90 pupils from across the school selected to take part in glow in the dark dodge ball as part of their reward activity after pupils were questioned in a pupil voice what they would like to do with their reward time. This meant our extra-curricular club for dodgeball hit its maximum number of 30 and then was offered as part of multi sports club later in the year. (see appendix) Our year 8 girls were first to experience this at a girls only targeted event organised by the partnership and they asked for equipment to be bought as the darkness made them feel less self-conscious and the music a motivator. Now we have the equipment we can continue to run this club next year and also use as reward.</p> <p><u>Softball</u>- extra-curricular (see appendix) and curriculum activity not been taught at school before. Enabling pupils to adapt skills from rounders/ cricket to softball. Our Head Teacher and Mr Mills were able to observe the teaching of softball to year 7 pupils.</p> <p><u>Tchouckball</u> – is a new sport to be introduced for 2024/25 where a club and lessons will be introduced, along with intra school competition for our house system.</p>	7139.14	3
Line markings	Pupils / staff	5		<p>The new line markings will make setting up lessons/ house matches easier for staff and pupils. Increased participation of pupils during lessons/ extra-curricular/ house matches due to extra 'D's and lines for games like quidditch and end ball. At lunch time these extra lines will help keep pupils safe – with designated playing areas</p>	8212.62	4

				visible for football/basketball.		
Gymnastics club coach/ repairs	Pupils/ staff	1		Repairing of the equipment enabled pupils to use it safely when in lessons and at the club and its continued use can occur next year. A different member of staff was then able to observe the gymnastics coach across year 5 and year 6- making planning for future clubs more effective. Also, providing confidence to this member of staff for next years club.	750.86	5
Playground equipment	Pupils	2		A pupil voice was issued to pupils to identify what they would like to see on the playground during their lunch time- basketballs/ basketball hoops/ footballs/ goals/ table footballs introduced. As a result, more pupils are meeting their daily physical goal and active during lunch time because they have had a say in what they would enjoy participating in.	5096.53	6
Sports day equipment (including space hoppers, sacks, balls)	Pupils	3		The aim of the purchasing the equipment was to provide a inclusive sports day, whereby pupils participate in a tutor competition looking at throwing, catching, passing, whilst working together across a range of activities. Meaning pupils are more active than our traditional previous years plans, and more pupils can participate. A teacher's race was also included to help raise the profile of physical activity. Unfortunately, we had to cancel this year 16/7/24 due to the weather.	2317.46	
Bikeability	Pupils	2,4		Pupils gain the experience of how to ride safely in the community. 32 pupils from year 5 took part. Hopefully, encouraging increased participation outside school and also gaining the confidence to ride to school.	290

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

At Walkwood Middle School swimming is offered to year 5 pupils – due to SATs in year 6.

Current information on 2023-2024 cohort of swimmers

85% response rate

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	50%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	64%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	69%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	No current access to swimming facility
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	

Current year 5 data – 2023/2024
